Preparing for Conversion Weekend

As you know, Midland Trust Company acquired the business of ATG Trust Company on June 1, 2021. Over the July 30 weekend, your account(s) will migrate from the trust accounting system used by ATG Trust to the platform used by MTC. This process is called a 'conversion' and the weekend beginning July 30, ending August 1, is called 'conversion weekend'. During conversion weekend, offices will be closed.

This guide will provide answers to questions you may have about this process.

Important Dates and Information

Key Dates

- **Pre-Conversion** – July 29-30 – temporary timeframe during conversion when transactions are prohibited
- **Conversion** – July 30-August 1 – ATG Trust accounts and assets convert to MTC platform and custodian

Balances During Conversion Weekend

- **July 31-August 1** – Balances will not reflect transactions posting to your account throughout conversion weekend. Your transactions will continue to be processed like normal but will not be added to or withdrawn from your account balance until conversion is complete. Your account balances should reflect weekend transactions by Tuesday, August 3.

Account Number Changes

Your account number will change, but this should be inconsequential. You will only notice an updated account number as it appears on your statement.

Statements

Effective August 2, your statement format will change. Clients receiving monthly statements will receive their first MTC statement August 31. All other clients will follow their statement mailing frequency.

Frequently Asked Questions

What is conversion?

The conversion is when ATG Trust accounts and assets will transfer to MTC's trust accounting system and custodian. This is scheduled for the weekend of July 30-August 1.

What is prohibited during pre-conversion?*

Transaction examples include security/investment activity (i.e. trades must settle by July 28 or will be held until after conversion) and distributions (e.g. processed by July 28 or held until after conversion). Any scheduled distributions during this timeframe will be distributed before pre-conversion. Contributions and deposits, including dividends/interest, will be held until after conversion. Receipt of funds will reflect a delayed posting to your account.

* Please note your Trust Officer is aware of these constraints and will anticipate and plan for this.

Will my statement be impacted?

Effective August 2, your statement format will change. Clients receiving monthly statements will receive their first MTC statement August 31. All other clients will follow their statement mailing frequency.

Will my dedicated Trust Officer change?

No, you will continue to work with the same familiar faces including your Trust Officer, Trust Administrator and Portfolio Manager.

Beginning August 2, you can access your account through the MTC site and client portal: midlandtc.com/support-and-resources

Will my user ID (username) and password change for my online account?

Your user ID (username) will remain the same (unless notified otherwise). On August 2, be on the lookout for an email with a NEW temporary password which you can then modify.

Will I still be able to access previous online statements?
